Due to the COVID-19 pandemic, DOI's GrantSolutions deployment schedule is being revised. As a result, the dates for Fish and Wildlife Service (FWS), Bureau of Ocean Energy Management, and Bureau of Safety and Environmental Enforcement (BOEM/BSEE) financial assistance recipient training have changed. If you have already registered for an April recipient training webinar, your registration has been cancelled and you must register for a new training session. GrantSolutions recipient training webinars will now occur at the following dates and times:

May 13, 2020 1:30 pm – 3:30 pm ET
May 14, 2020 9:00 am – 11:00 am ET
May 14, 2020 1:30 pm – 3:30 pm ET

Live webinar capacity is limited, and we request that you register here by April 27, 2020, for the best chance to attend these important live training events. If you are unable to attend these training sessions, they will be recorded and posted to www.doi.gov/grants/grantsolutions.
Please visit [www.doi.gov/grants/grantsolutions](http://www.doi.gov/grants/grantsolutions) for more information about DOI’s GrantSolutions transition. On this web page, you will find additional information about system deployment timing, functionality, training resources, and frequently asked questions.

**Please reach out to your financial assistance award program point of contact with any additional questions.**
