PRESENT

SACRED MIRRORS

Every once in a while, a unique group of artists emerge out of the crowd with great chemistry and amazing delivery! "Sacred Mirrors" is one of those special performers. Together, Carrie Alice Williams & Ron Pane combine an incredible blend of talent, totally original in their style!

As singer/ songwriters, Carrie was the opening act for Neil Young 3 times in 2019! Ron has performed with many great acts such as Buffalo Springfield Revisited Band, Hues Corporation (Rock the Boat, a #1 single) and many others throughout the years.
