The Grand Jury in and for the District of New Jersey, sitting at Camden, charges:

COUNT ONE
(Conspiracy—GREENE and MOE)

1. At all times relevant to this Indictment:

a. Defendant NATALIE GREENE was a resident of Ocean City, New Jersey. GREENE was employed by Federal Official 1 in New Jersey.

b. Defendant ANAMARIA MOE was a resident of Ventnor, New Jersey.

c. Federal Official 1 was a federal official.

d. Individual 1 was a body modification and scarification artist with a studio located in Pennsylvania. Individual 1 had a public social media page that advertised the body modification and scarification services that Individual 1 offered at his studio.

e. The Federal Bureau of Investigation ("FBI") was a constituent agency of the United States Department of Justice in the executive branch, with the

authority to enforce criminal laws, including, among others, kidnapping, assaulting certain officers or employees of the United States, and certain offenses involving firearms, under Title 18 of the United States Code.

Defendants GREENE and MOE Prepare for the Hoax "Attack"

2. Beginning on or about June 3, 2025 and continuing until on or about July 23, 2025, defendant GREENE sent a series of online messages to Individual 1, a scarification artist located in Pennsylvania. In those messages, GREENE asked Individual 1 about the scarification process and whether Individual 1 could perform a scarification procedure on GREENE.

3. That same date, defendant GREENE sent a photo to Individual 1, showing a scarification design that GREENE was interested in, with slashes on the neck, face, and arm area. GREENE ultimately scheduled a scarification procedure with Individual 1 and continued to correspond with Individual 1 about the procedure in online messages.

4. On or about July 21, 2025, an internet search was performed on defendant MOE's cellphone for "zip ties near me."

5. On or about July 23, 2025, defendant GREENE drove to Individual 1's body modification/scarification studio in Pennsylvania. GREENE presented personal identification, submitted a legal waiver form for the scarification procedure, and hired Individual 1 to perform the scarification procedure in exchange for $500. Individual 1 performed the scarification procedure on GREENE.

6. That same day, July 23, 2025, defendant GREENE drove from Pennsylvania to Ventnor, New Jersey, where GREENE picked up defendant MOE.

GREENE and MOE eventually drove to the Egg Harbor Township Nature Reserve ("Nature Reserve").

7. On or about the evening of July 23, 2025, before GREENE and MOE went to the Nature Reserve, a member of the conspiracy wrote "Trump Whore" on GREENE's stomach in black ink and "[Federal Official 1] is Racist" on her back.

The "Attack" Reported to Law Enforcement

8. On July 23, 2025, at approximately 10:36 p.m., defendant MOE called 911 to report that she and defendant GREENE had been attacked by three unknown men at the Nature Reserve.

9. During the 911 call, defendant MOE stated that she had come to the Nature Reserve with defendant GREENE and "three guys just attacked us." MOE told the 911 operator that the men were "talking about politics," and MOE said that GREENE "works for [Federal Official 1]." According to MOE, the men "were like calling her like racist, calling her a whore." MOE told the 911 operator that the men "said they had a gun and they had a gun." MOE stated that one man was "holding me down" and "the other two were on her [GREENE]." During the 911 call, MOE reported that the men "said that if we don't be quiet they were going to shoot us." During the 911 call, MOE described herself as a friend of GREENE's.

10. Egg Harbor Township Police Officers responded to the Nature Reserve and met defendant MOE in the parking lot. MOE told the officers that she and GREENE had been attacked and threatened by unknown men.

11. Police officers searched the area and located GREENE. When the officers located GREENE, she was lying on the ground with her feet and hands bound together with zip ties.

12. When the officers located defendant GREENE, GREENE had lacerations on the right side of her body, including on her face, neck, upper chest and shoulder. The words "Trump Whore" were written on her stomach in black ink, and "[Federal Official 1] is Racist" was written on her back. GREENE was crying and yelling statements, including "he has a gun." There were zip ties on and around GREENE, which were similar to zip ties that were found in GREENE's Maserati that same night.

13. After the officers located defendant GREENE at the Nature Reserve, GREENE was transported to Hospital 1 to receive medical care and treatment for the "attack."

Defendant GREENE's Statements to Law Enforcement in the Hours Following the Staged Attack

14. On or about July 23, 2025 and continuing on or about July 24, 2025, defendant GREENE made statements to law enforcement officers, in substance and in part, that she was approached by three unknown men who attacked and restrained her. GREENE told officers that these men addressed GREENE by name and called her "a racist" and "a whore." GREENE stated that one of the men said that he had a gun, and he said that he would "kill" GREENE if she made any noise. GREENE said that one of the men held an object against GREENE and told

GREENE that it was a gun. GREENE also told the officers that one of the men cut into her body. GREENE also stated that one or more of the men wrote on her.

Interview of Defendant GREENE on or about July 25, 2025 Conducted by FBI Agents and Detectives

15. On or about July 25, 2025, defendant GREENE was interviewed by an FBI Special Agent, along with other law enforcement officers, in New Jersey. At the beginning of the interview, GREENE was informed that an FBI agent was present at the interview.

16. During the interview, with the FBI agent present, defendant GREENE stated, in substance and in part, that she and defendant MOE were walking on a trail in the Nature Reserve when they were approached by three unknown men. GREENE stated that two of the men had grabbed GREENE and pulled GREENE's shirt up over her head, and then restrained GREENE on the ground, pulling GREENE's arms behind her back and tying her wrists and ankles together with zip ties.

17. According to defendant GREENE, the men struck GREENE in the head, cut into her body, and "scrap[ed]" her. GREENE said that it hurt her so much that she was screaming.

18. Defendant GREENE said that one of the men said he had a gun and told GREENE not to move. She stated that another man held her head down on the ground. GREENE said that she was screaming for help, and one of the men told her to be quiet or he was going to shoot her. GREENE also said that one of the men pushed an object against her stomach, which GREENE believed to be a gun.
