

Deriving Benchmarks for Construction Materials Based on EPDs

TUESDAY, JUNE 6, 2023

Public sector agency employees and consultants are encouraged to join us for this virtual webinar.

- *Learn about methodologies and key considerations when developing benchmarks.*
- *Understand the necessity and importance of benchmarks in the context of Buy Clean policies.*
- *Participate in an engaging, open discussion on how to collaborate between public agencies and industry to develop benchmarks.*

QUESTIONS

- What is background data and how does it affect benchmarking?
- What is the current state of practice on developing benchmarks in the US?
- What are some of the recommendations/gaps/needs that public agencies and industry associations have identified to develop benchmarks?

AGENDA
