CISA VIRTUAL
HIRING EVENT

July 27 - 31
Cyber Opportunities

WE'RE HIRING!

Join the Nation's Risk Advisors!

HOW TO APPLY:

- Review the below opportunities and career levels
- Add in the appropriate key phrase(s) to your resume

- Upload your resume to **www.usajobs.gov**
- Make you resume and profile **searchable**

WHAT TO EXPECT:
Upload your resume with keyword(s) by July 22. Hiring officials will reach out to you directly if selected for interview. Interviews are expected to occur between July 13 and July 31, 2020.

The Cybersecurity and Infrastructure Security Agency (CISA) is hiring! We are looking for candidates with diverse backgrounds across multiple cyber specialties, such as incident response, digital forensics, network operations, systems security, IT project management, investment portfolio management, system testing and evaluation, vulnerability assessment and more. End each work day knowing you played a role in protecting the Nation from some of the most emerging and critical threats.

No matter where you are in your career, CISA has opportunities to meet your needs.

- **Junior Level (GS-9, 11, 12)**   #CISAJulyHiring09
- **Mid-Level (GS-12, 13)**   #CISAJulyHiring13
- **Senior Level (GS-14, 15)**   #CISAJulyHiring15
- **Supervisory (GS-14, 15)**   #CISAJulyHiringSUPV

Recent Graduate and Senior Executive (SES) positions are also available. For descriptions of each career level, to view opportunities for recent graduates and Senior Executives (SES), or see our FAQs visit **www.cisa.gov/virtual-hiring-event**.

RESUME TIPS
Your resume must include demonstrated experience on each of the four required competencies:

- **Attention to Detail**
- **Customer Service**
- **Oral Communication**
- **Problem Solving**

Check out the details about the **CISA work roles** to inform your resume and our **application tips**.
