CNCT
Community Nutrition Champion Training

Now offering two trainings!

CNCT and CNCT 2.0 are designed for non-nutrition professionals who work in FDPIR programs and engage with FDPIR participants.

CNCT

- A 2-day small group training that builds a strong nutrition education foundation.
- Topics include:
  - USDA Foods
  - Food Labels
  - Food Safety
  - Cooking Basics
  - Recipe Basics
  - Recipe Modification
  - Planning Demonstrations
  - Conducting Demonstrations
  - Evaluation
- To nominate yourself or a coworker, click: CNCT FY27

CNCT 2.0

Completion of CNCT is required.

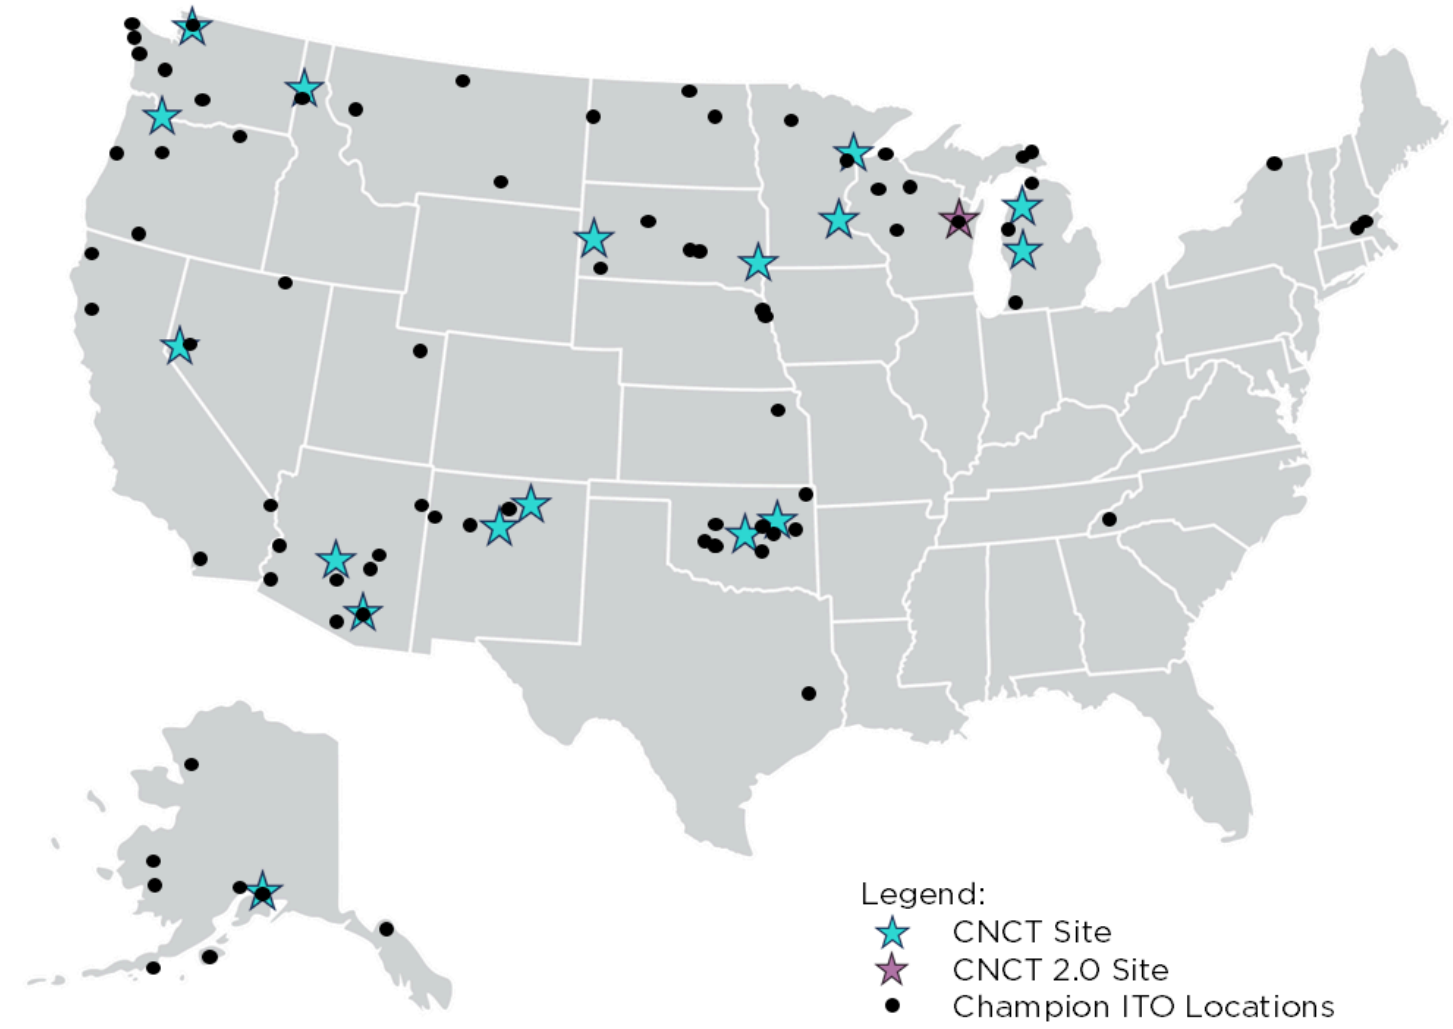

- A 3-day small group training with immersive program tours and events to showcase local community engagement and outreach opportunities.
- Topics include:
  - Traditional Foods
  - Food Preservation
  - Recipe Modification: Beyond the Basics
  - Planning: Going Further
  - Hands-on Cooking Demos
  - Recipe Testing
  - Filming Nutrition Education
  - Online Tools for Nutrition Education
- To nominate yourself or a coworker, click: CNCT 2.0 FY27
