

The Georgia Health Policy Center and the National Association of Rural Health Clinics present

COVID Medical Homes for Rural Health Clinics

Join Kate Hill, R.N., vice president of the TheComplianceTeam.org's Clinic Division, to learn how COVID medical homes can provide infrastructure for COVID-19-related education, prevention, testing, confidence, vaccine distribution, and mitigation strategies for Rural Health Clinics.

This webinar will:

- Build understanding of COVID medical homes in Rural Health Clinics
- Explain how COVID medical homes raise the quality of care in Rural Health Clinics
- Provide action steps for getting started
- Explain how to use grant funding to get accreditation for COVID medical homes

Tuesday, June 28
2-3 p.m. ET
