

IMPACT STARTS WITH YOU! SHARE YOUR EXPERIENCE IN THE 2024 HRSA GRANTEE SATISFACTION SURVEY

What to Expect

Provide confidential feedback on HRSA's application and award processes, Electronic Handbooks (EHBs), award monitoring, performance reporting, training and technical assistance, communications, help lines and forms, and other areas important to grantee satisfaction.

Why Participate?

Based on grantee feedback, HRSA has updated the survey to gather more detailed information about your experience. Your confidential responses help HRSA take concrete actions to:

- Understand your needs better
- Improve our guidance and assistance
- Tailor our services to serve you better
- Advance our mission

HRSA's Mission

To improve health outcomes and achieve health equity through access to quality services, a skilled health workforce, and innovative, high-value programs.

Duration

- Duration: 6 weeks
- Start Date: April 29, 2024
- End Date: June 10, 2024

Length of Time

20 minutes to complete the survey

How to Participate

Click on your unique survey link sent to you via email. HRSA is sending surveys to each project director to help HRSA better understand and improve the grantee experience.

Confidentiality Assurance

We have partnered with an independent research and consulting firm to administer the survey. HRSA leadership will receive aggregated results, ensuring individual responses will never be shared or identified.
