

Contract Manufacturer for Cosmetics and Household Items

A Jordanian manufacturer of cosmetic products, cosmeceutical products, medical device, natural products, home care products, surface cleaners and disinfectants, and insect repellents is seeking a contract manufacturer to produce the company's existing brands for the U.S and foreign markets. The company's priorities are its aerosols, surface disinfectants/cleaners, and liquid lines (shampoos, liquid hand soaps, hand sanitizers, liquid surface disinfectants, etc.). The desired quantities of each product will defer.

The company is seeking a contract for continuous manufacturing and would consider licensing its brand.

Deadline: Seeking responses from interested contract manufacturers by June 18
