DOING BUSINESS IN THE UNITED KINGDOM

Thursday, 08 July 2021

11:00–12:00 EST

Webinar || Cost: \$25

The United Kingdom left the EU and the transition period ended. The largest market for U.S. products and services in Europe, and fifth-largest in the world is changing the way it does business. Join us to hear from Her Majesty's Revenue and Customs senior policy advisor and a leading shipping company about:

- The post-Brexit impact on cross-border trade
- New VAT and import taxes accounting process
- Recent lessons learned from U.S.-based companies selling into the UK market

Speakers
