What are the best markets for your product across the Caribbean?
What are the infrastructure development opportunities?
What U.S. government resources are available to help win government tenders?
What are today’s and tomorrow’s opportunities?
What challenges do these dynamic markets present to U.S. companies?

OVERVIEW
U.S. Caribbean Business Conference 2022 participants will receive up-to-date market intelligence and help developing practical strategies for winning procurements and for exporting their goods and services.

The program will include U.S. diplomats, industry professionals, trade experts, international business experts, high-level government officials and seasoned exporters - with plenty of opportunity for networking.

EXPLORING THE MARKETS OF THE CARIBBEAN
Panels discussion and presentations on:

- What are the best markets for your product across the Caribbean?
- What are the infrastructure development opportunities?
- What U.S. government resources are available to help win government tenders?
- What are today’s and tomorrow’s opportunities?
- What challenges do these dynamic markets present to U.S. companies?

Sessions focusing on both the general business environment and high-potential sectors, financing, logistics, and major projects and infrastructure.

INDUSTRY FOCUS
The event is a great opportunity for all U.S. firms interested in expanding their business in the Caribbean. High priority sectors include:

- Energy
- Aviation
- Safety & Security
- Design & Construction
- ICT
- Transportation
- Healthcare

MEET 1-ON-1 WITH U.S. COMMERCIAL DIPLOMATS
Plug into resources to help you win projects and learn about the markets through one-on-one meetings with U.S. diplomats from across the region.

In addition, representatives from U.S. Government agencies will also be available including U.S. Export Import Bank, Overseas Private Investment Corporation (OPIC), and U.S. Trade and Development Agency (USTDA).

Important note—Appointment slots are limited and will be assigned based on market potential and export readiness and on a first come first served basis. (*)
