European Bank for Reconstruction and Development (EBRD) Business Forum

Opportunities for U.S. Companies

EBRD will host its annual flagship event in-person and online from May 10-12, 2022. By taking part, U.S. companies can:

- Benefit from exceptionally waived registration fees.
- Hear from EBRD leadership and interact with key decision makers.
- Connect with EBRD country, regional, and industry contacts.
- Learn how your company can partner with the bank.

Create Impact: A U.S. Industry-Focus is a Strategic Fit for EBRD Project Needs

The Commercial Service office at EBRD will host a U.S.-focused event, *Create Impact: A U.S. Industry-Focus is a Strategic Fit for EBRD Project Needs*.

Join us in Marrakesh or online to:

- Hear from and interact with EBRD leaders about project needs and objectives over the next 24 months.
- Get information to match project needs against your company's value proposition.
- Gain insight into projects early in their development to better plan and prepare.

Additional Business Opportunities

The U.S.-focused industry panel is part of a series of interactive networking programs. Designed to maximize business opportunity and networking, the EBRD Business Connect and Campfire Sessions will run throughout the forum. Companies can also schedule one on one meetings.

The 2022 EBRD Forum is a must-attend event for U.S. companies targeting infrastructure projects financed by the bank.
