

# Expo Manufactura 2023® partners with the U.S. Department of Commerce

## The Event

Mexico's MOST significant manufacturing event comes again to Monterrey featuring a USA Pavilion and over 365 exhibitors from 21 countries showing technologies and products covering plastics, automation, additive manufacturing, medical manufacturing, industrial printing, and solutions for industry 4.0.

## The USA Pavilion

The USA Pavilion at EXPO MANUFACTURA 2023® serves as an excellent business center for U.S. companies to establish or expand overseas distribution, generate sales leads, evaluate competitors, and participate in every U.S. Commercial Service program with exhibitors and Mexican buyers.

## At Show Market Counseling

Government-led counseling, market insights, and fee-based services are available to increase your opportunities and show experience.

## Join as an Exhibitor

## A TEPP PARTNER

This event collaborates with the US DOC's mission to strengthen the competitiveness of U.S. industry by promoting trade and investment.

## RELEVANCE FOR U.S. EXPORTS

The event brings over 13,500 high-level buyers and sellers together, attracted by over 600 brands in the exhibition. The USA Pavilion hosts 40 US exporters.

## MARKET INFORMATION

Mexico is second largest destination of US exports (after China) amounting to USD \$245.9 billion YTD 2022.
