

MRT Jakarta Renewable Energy Initiative Feasibility Study

Indonesia: MRT Jakarta Renewable Energy Initiative Feasibility Study

RFP Submission Deadline: February 9, 2023 at Noon EST / Midnight Jakarta Time

PT Mass Rapid Transit Jakarta (“MRT Jakarta”) invites submissions of qualifications and proposal data (collectively referred to as the “Proposal”) from interested U.S. firms that are qualified on the basis of experience and capability to conduct a Feasibility Study (“FS”) to examine the technical and economic feasibility of installing solar panels on rooftops across MRT Jakarta’s rail system, accessing power from renewable energy power plants in Indonesia, and implementing energy efficiency and storage projects that would reduce MRT Jakarta’s overall electricity demand (“Project”). The Proposal submission deadline is Noon EST/ Midnight Jakarta Time on February 9, 2023. The U.S. firm selected will be paid in U.S. dollars from a US \$709,630 grant to the Grantee from the U.S. Trade and Development Agency.
