

## Brazil - Trade Lead – Steel

One of our contacts in the construction industry in Brazil, the Civil Construction Cooperative of the State of Santa Catarina (*COOPERCON SC*), is looking for suppliers of 20,000 tons of steel.

As such, they reached out to us, asking for offers from potential U.S. suppliers of steel bars, coils and wire rod. The material they are looking for is:

**CA 50 STEEL BARS.COILS, and WIRE RODS, according to Harmonized Codes 7214.2000, 7213.1000 and 7213.9190.**

Gauges are:

- In Bars of 12 meters: from 6.3mm to 32.0 mm
- In coils: from 6.3mm to 20mm,
- In wire rods: from 5.5. to 8.0 mm,

as per the table below:
