Participants are responsible for their travel, lodging and meal expenses.

**APPLICATION DEADLINE**  
**Friday, September 15, 2023**

The U.S. Department of Commerce in collaboration with the U.S. Embassy in Mongolia is organizing a Certified Trade Mission to Ulaanbaatar, Mongolia, on October 24-26, 2023, sponsored by The American Chamber of Commerce in Mongolia (AmCham).

## Explore Opportunities in the Mongolian Market.

The trade mission will help U.S. companies to explore new opportunities in this emerging market. Mongolia has a vast territory with immense natural resources, most of them unexplored. The country presents tremendous opportunities for U.S. investors and exporters in many sectors, including mining, agriculture, food processing, energy, medical equipment, pharmaceuticals, construction, high-tech, and franchising. The trade mission will introduce participating firms to potential business partners and assist in gaining market information.

This is an exciting opportunity for U.S. companies to start an initial exploratory dialogue and connect with businesses in Mongolia.

## Opportunities include:

- Connect with live leads in Mongolian industrial, agricultural, and service sectors.
- Gain access to government and private sector decision-makers.
- Exchange ideas and strategies in an open, interactive forum.
