

Trade Events Partnership Program (TEPP)

International Security Conference & Expo (ISC West)

Venetian Expo Las Vegas, April 9-12, 2024

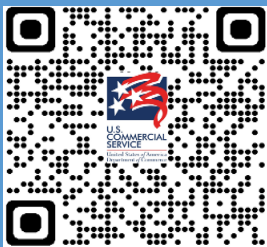

ISC West 2024 is partnering with the U.S. Commercial Service / International Trade Administration (a unit of the U.S. Department of Commerce) to provide services **with no additional cost services** to U.S. exhibitors to boost sales through international buyers, recruited and vetted by our U.S. Embassies from: Brazil, Colombia, Guatemala, Nigeria, Panama, Poland, Qatar, Slovakia, the UAE, and other countries.

International Trade Services @ISC West

International Buyer Delegation Recruitment

Our worldwide team is recruiting vetted international buyer delegations from multiple countries who will attend ISC West looking to procure products and services from U.S. exhibitors

Government to Business International Market Counseling

U.S. exhibitors can schedule 1-on-1 meetings for international market intelligence with Security Commercial Specialists from U.S. Embassies abroad

Export Counseling for U.S. Exhibitors for Business Expansion

Meet with our U.S. based International Trade Specialists to get advice on international market expansion, to learn about international methods of payments, to perform background checks on international companies, to become "export ready"
