

Public/Private	Project Name	Type	Overall Project Value (PSDs ONLY)	Description
Private	Azerbaijan Construction of Bilasuvar Solar Plant	Project Summary Document	\$383,000,000	Development/construction/operation of a solar photovoltaic power plant in the Bilasuvar region
Private	Azerbaijan Construction of Neftchala Solar Plant	Project Summary Document	\$283,000,000	Development/construction/operation of a solar photovoltaic power plant in the Neftchala region
Public	Bosnia And Herzegovina Implementing Variable Shunt Reactor	General Procurement Notice	N/A	Implementation of variable shunt reactors in the transmission network
Public	Estonia Constructing On-Shore Wind Farms	Project Summary Document	\$390,000,000	Construction/operation of 2 on-shore wind farms
Public	Kazakhstan Construction of Electricity Transmission Lines/Infrastructure	Project Summary Document	\$460,000,000	Construction of high voltage electricity transmission lines and associated infrastructure
Private	Poland Construction/Operation of Energy Recovery Facility	Project Summary Document	Not given	Construction/operation of energy recovery facility, developed by Veolia Energia Polska
Private	Poland Construction/Operation of Offshore Wind Farm	Project Summary Document	Not given	Construction/operation of 1.4GW offshore wind farm
Private	Romania Solar Panel Installation	Project Summary Document	\$40,600,000	Purchase/installation of solar panels
Public	Serbia Construction of Solar-Thermal Plant	Project Summary Document	\$113,000,000	Construction of solar-thermal plant, collector fields, heat storage, heat pump, eBoiler in Novi Sad
Private	Türkiye Development of 2 Hybrid Solar Plants	Project Summary Document	\$45,000,000	Development/construction of 2 hybrid solar PVs in the Isparta and Balikesir provinces
Private	Türkiye Solar Panel Installation	Project Summary Document	\$441,000,000	Purchase/installation of solar panels
Private	Türkiye Wind Plant and Solar Plant Construction	Project Summary Document	\$88,900,000	Wind power plant expansion; solar plant; battery storage
Public	Ukraine Design/Build Biomass Fueled Heat/Power Plant	General Procurement Notice	N/A	Design/build of biomass fueled combined heat and power plant; procurement of dispatching/monitoring system
