

## Patient Safety Program

## LEARNING UPDATE

A Summary of Patient Safety Learning Activities

## About the Learning Update

The Learning Update is a schedule of upcoming DoD PSP and other patient safety activities, tools and resources to help you increase your patient safety knowledge and skills.

Please note that information about patient safety activities is updated continuously. Make sure to check out the [eBulletin](#) and the [Calendar of Events](#) section on the DoD PSP website to get the latest details and confirm information provided here.

### PATIENT SAFETY On-Demand eLearning Courses

*Instructor-led or self-paced online learning sessions focused on a specific product*

#### On-Demand eLearning: Patient Safety Reporting System v1.1 eLearning Course

This course introduces basic navigation and functionality features of the PSR system and the roles of system users, such as event reporters, event handlers and investigators. The course can be accessed through MHS Learn.

[Register now](#)

#### On-Demand eLearning: Patient Safety Reporting: Intermediate Course\*

Targeted to Patient Safety Managers and other Military Treatment Facility (MTF) staff already familiar with basic functionalities of the Patient Safety Reporting System, this course is designed to help learners hone the decision-making skills needed to effectively manage patient safety event data in PSR, as part of the ongoing effort to eliminate preventable harm at MTFs.

### PATIENT SAFETY LEARNING CIRCLES

*In-person or web-based forums focused on a specific topic*

#### TeamSTEPPS® Webinar – Agency for Healthcare Research and Quality (AHRQ)

Please check our [Calendar of Events](#) for updates on this webinar.

#### Certified Professional in Patient Safety Review Course Webinar – National Patient Safety Foundation (NPSF)\*\*

Nov. 10, 2016 from 10:00 AM to 5:00 PM (ET)

If you are an experienced patient safety professional and planning to take the Certified Professional Patient Safety (CPPS) exam, this webinar will help you prepare for the exam.

Participation in this course will provide you with the opportunity to:

- Review the five patient safety domains in-depth
- Discuss patient safety scenario examples similar to actual exam questions and test-taking strategies
- Assess your own level of preparedness for the exam and address additional areas for self-study

# Patient Safety Program

# LEARNING UPDATE

A Summary of Patient Safety Learning Activities

## Professional Learning Series: Taking Action to Combat Antibiotic Resistance and Improve Antibiotic Use – National Patient Safety Foundation (NPSF)\*\*

Nov. 14, 2016 from 1:00 to 2:00 PM (ET)

This NPSF webinar will:

- Review justification for the pharmacist to be part of the team
- Explain the role of the pharmacist in antimicrobial stewardship
- Describe how antimicrobial stewardship leads to better patient outcomes
- Explain what patients should expect and questions to ask about antibiotics

Speakers include Dr. Deborah Pasko of the American Society of Health-System Pharmacists and Dr. Arjun Srinivasan from the Centers for Disease Control and Prevention.

## The Overlap between Organizational Contributions to Burnout and Workplace Violence – National Patient Safety Foundation (NPSF)\*\*

Dec. 7, 2016 from 2:00 to 3:00 PM (ET)

This webinar will explore the effects of burnout and workplace violence on health care workers.

Dr. Michael Privitera of the

University of Rochester Medical Center will offer recommendations for leadership and management style interventions to implement a strategy to prevent workplace violence while preventing burnout.

**Note:** Cost is \$99, however, Stand Up for Patient Safety member organizations receive complimentary registration for an unlimited number of participants, but those seeking continuing education must register individually.

[Learn more and register here.](#)

*\* Denotes that activity is eligible for Continuing Education (CE) credit. All CE credits are managed by the Postgraduate Institute for Medicine (PIM).*

*\*\* Did you know? As an NPSF Stand Up for Patient Safety member, DoD PSP receives complimentary access to webinars as a benefit of program membership. Check with your facility POC for more information.*

**Don't wait to register for other PSP activities!**
