

Learning Update

JUNE 2018

About the Learning Update

The Learning Update delivers an upcoming schedule of Department of Defense Patient Safety Program (DoD PSP) and other patient safety activities, tools and resources to help you increase your patient safety knowledge and skills.

Please note that information about patient safety activities are continuously updated. Check out the [Calendar of Events](#) on the DoD PSP web site to get the latest details and confirm information provided here.

Patient Safety On-Demand eLearning Courses

Instructor-led or self-paced online learning sessions focused on a specific product

On-Demand eLearning: Joint Patient Safety Reporting Training Videos

Access the JPSR Video Knowledge Base, a collection of brief videos in Joint Knowledge Online, demonstrating the following JPSR functionalities:

- Hotspots.
- Investigation Form.
- Reporting.
- Searching.

[Learn more](#)

On-Demand eLearning: Root Cause Analysis

This self-paced module outlines the DoD Patient Safety Program's suggested practices for conducting a root cause analysis, from the initial reporting of a patient safety event through the formation of the RCA Team to the identification of contributing factors and root causes and the recommendation of corrective actions.

Learning Update

JUNE 2018

Advancing Safe Care in the Home Setting – Institute for Healthcare Improvement (IHI)/National Patient Safety Foundation (NPSF)

June 14, 2018 from 1-2 p.m. EDT

Care in the home setting is expanding. There are many contributing factors to this expansion, including:

- Rising health care costs.
- A rapidly growing older adult population.
- Patient preference.
- Technological innovations.

Despite this rise, safety in the home setting isn't as well understood as in other settings.

Join expert panelists as they discuss the issues, challenges, opportunities, and recommendations for advancing patient safety in this setting.

Speakers:

- Alice Bonner, PhD, RN, secretary of the executive office of Elder Affairs for the Commonwealth of Massachusetts
- Stephen Muething, MD, co-director of the James M. Anderson Center for Health Systems Excellence at Cincinnati Children's Hospital Medical Center and professor of Pediatrics at the University of Cincinnati College of Medicine
- Tejal K. Gandhi, MD, MPH, CPPS, chief clinical and safety officer, IHI
