

Clinical Communities Speaker Series (CCSS)

Evidence-Based and Promising Practices in Pediatric Care for Military Children and Youth

April 4, 2024

8:55 a.m. – 5:30 p.m. (ET)

Earn up to 6.5
CE/CME credits!

- Explore the evidence-based practices in the care of the pediatric patient through educational content created by military and civilian Subject Matter Experts specializing in bioethics, research, healthcare, and academia
- Each session is designed to refine the quality of care, achieve the best outcomes, and improve population health in children and youth

- Attending this CE opportunity will advance the practice, skills, and knowledge of health care providers across the Military Health System. Register here: <https://www.dhaj7-cepo.com/content/2024-apr-ccss>

Improving Health and Building Readiness. Anytime, Anywhere — Always
