Doula and Perinatal Community Health Workers in Medicaid

A Learning Series on Leveraging Community-Based Support Services in Medicaid

Who should participate?

The learning series is designed for all Medicaid stakeholders and partners who want an evidence-based roadmap to reducing disparities and improving birth equity including:

- Medicaid Health Plans
- State Medicaid Agencies
- Federal Agencies
- Community-based Doulas and Perinatal Community Health Workers
- Community-based Organizations
- Provider Groups
- National and State Professional, Advocacy, and Funder Organizations

Participants may join as part of a state team, organization, or as an individual. We encourage you to identify Medicaid stakeholders (e.g., hospital leadership, state Medicaid agency staff, Medicaid health plan representatives) in your state to participate with you, as a team approach might lead to a stronger translation of knowledge into action.

When are the virtual learning sessions?

Session Dates
(3:00 - 4:00 pm ET)

Session 1: December 1st

Session 2: January 5th

Session 3: February 2nd

Session 4: March 2nd

Session 5: April 6th

Session 6: May 4th

Session 7: June 1st

Session 8: July 13th

How much does it cost?

There is no cost to participate thanks to a grant from the Community Health Acceleration Project (CHAP) and Every Mother Counts (EMC). However, to secure a spot in the learning series, participants must commit to completing all 8 learning sessions, including pre-session activities. A total of **2 hours/month** will be required.

Registration **will close on November 14, 2022.**
