Shuttles between Veterans Resource Center and Cummings Recreation Center (near Dallas VAMC) provided November 11-12, 5 am-5 pm where Texas Mission of Mercy dental clinics will be located.

The TDA Smiles Foundation's flagship program, Texas Mission of Mercy, brings dental care to urban and rural communities all across Texas. Since 2001, we have held 64 missions, and brought over \$18 million worth of care to over 33,000 Texans.

This November, our mission is to bring care to our nation's heroes.

The services include basic, pain-relieving and preventive procedures such as dental cleanings, fillings, and extractions.

TMOM is a first-come, first-served event, and the clinic will stop accepting patients once capacity is reached.
