

Curbside Pick-up of Medications

Now Available

- The pharmacy service can have your prescriptions mailed to you either within 7-10 days via normal mail or within 1-2 days via next-day delivery. These are the preferred delivery methods for prescriptions.
- However, when neither of these methods will meet your needs curbside pick-up of medications can be arranged by appointment by calling 561-248-5731.
- You will be given an appointment time for the pick-up and be asked to call the number when you arrive at one of the designated parking spaces.
- The medication will then be brought out to your designated parking space.
- Please remain in your car while waiting.
