

Access Your COVID-19 Vaccine Records Online

If you received a COVID-19 vaccination at a U.S. Department of Veterans Affairs facility, you can find your vaccine information online through My Health^eVet, VA's online patient portal.

With a My Health^eVet Premium account, you can review your COVID-19 vaccine information, print it for your records, and share it with other health care providers.

There are two ways to access your vaccine records.

Through VA Blue Button®

1. Sign in to your Premium account at myhealth.va.gov.
2. Select **Health Records**.
3. Select **VA Blue Button Report**.
4. In the first part of the form, select the **date range** to include the date of your COVID-19 vaccination.
5. In the second part of the form under the Immunizations section, select the **box next to "VA Immunizations."**
6. At the bottom of the form, select **Submit**.
7. **View or download** your vaccination information as a PDF or TXT file.

Through VA Health Summary

1. Sign in to your Premium account at myhealth.va.gov.
2. Select **Health Records**.
3. Select **VA Health Summary**.
4. If the blue info box appears at the top of the page, select the **Check Updates** button. Otherwise, **continue to the next step**.
5. In the top row of the table labeled "Current Summary," you have the **option to view, download, or send** your VA Health Summary.
6. When you open your VA Health Summary file, select **"Immunizations"** from the table of contents to view your COVID-19 vaccine information.
