HEALTHCARE JOBS

BJC Healthcare

Support Service Positions
Allied Health Positions

Nursing Positions
Professional Positions

How to Get Connected with BJC HealthCare:

1. If you have a client interested in one of our roles and can successfully pass a nicotine and tobacco screen, please have him/her/they complete our **BJC Talent Network form** to be connected with a member of our Talent Acquisition Team. Please ensure your client uploads a resume so we can sufficiently match his/her/they with positions that will be a good fit.
2. By filling out this form it notifies our Talent Acquisition team that your client has been referred to BJC through one of our community partnerships. This ensures a more streamlined approach for him/her/they to get the best possible service. After we receive the Talent Network form, a member of our team will reach out to schedule a phone screen with your client to discuss interests and qualifications.

CONSTRUCTION INDUSTRY/SKILLED TRADES JOBS

International Union of Elevator Constructors, Local 3 Joint Apprenticeship Program in the St. Louis area.

Apprentices will be responsible for assisting in the installation, maintenance, and repair of passenger and freight elevators, escalators, dumbwaiters and moving sidewalks under the direction of a mechanic.

The apprenticeship's classroom environment consists of weekly interactive instruction provided by a NEIEP Instructor along with online tools, support, and quizzes to test your accomplishments throughout the season.

Active apprentices are required to meet all of the exam and hour requirements assigned each season.

Applications are only accepted during open recruitment periods.

For St. Louis, this period is from Sept. 1 through Sept. 30, 2021. Along with an application, you'll need to take an aptitude test, a tool assessment, and an interview.

For more information about the application process, email the local area coordinator for the St. Louis region at fwuelling@neiep.org.

Building Union Diversity (BUD) Program (Next cohort starts on Sept. 13th)

The BUD program offers apprenticeships in the construction trades training for persons with no construction experience.

Requirements for participating in the BUD program are:

- GED/High School Diploma
- Age 18 or older
- WorkKeys Assessment; Workplace Documents – 5, Math - 5

Contact the University City Adult Education and Literacy Program to complete the WorkKeys Assessment. To be eligible for the testing, you will need to complete the online assessment and demonstrate preparedness to pass the official exam with fives in Applied Math and Workplace Documents.

Contact us by texting BUD2020 to 314/391-9232.

For more information go to <https://budprogram.com/>

Building Tomorrow's Construction Workforce Six-Part Forum Series (August 2021 – December 2022)

Designing a Welcoming Workforce is the first of six programs

Tuesday, August 31st, 2021 7:30am – 9:30am

Plumbers and Pipefitters Local 562 training facility (Earth City, MO)

It is free to attend, but you must register in advance to attend.

For more information or to register for this event go to <https://www.constructforstl.org/designing-a-welcoming-workforce-on-aug-31-begins-forums-return-to-live-programs/>

Other programs in the series are:

- **Assembling a Future Workforce Project Team**, a half-day program introducing the use of systems thinking to inform workforce efforts, December 2 at Plumbers and Pipefitters Training Facility;
- **Demolishing Barriers to Workforce Entry**, addressing issues such as transportation, housing, healthcare, childcare and apprenticeship application requirements. March 2022, time and location TBA;
- **Retention**, examining how to hang onto new, diverse workers entering the industry. June 2022, time and location TBA;
- **Logistics**, addressing building a workforce pipeline, beginning with elementary and middle school, September 2022, time and location TBA;
- **Punchlist**, a half-day program examining the effectiveness of collaborative efforts in the previous 18 months, December 2022, time and location TBA.

Construction Forum Jobs

ConstructForSTL.org is designed to be an “aggregator” of all-things-construction in St. Louis. As such, it will include links to mentions in other media – locally and nationally; current news about people, companies, ideas, labor, and projects; plus white papers, videos, job openings, bid opportunities... anything that Forum participants find to be of value.

For a list of current job openings go to <https://www.constructforstl.org/employment-2/>

Building Union Diversity (BUD) Pre-Apprenticeship Program (next cohort start on Sept. 13th)

The BUD program offers apprenticeships in the construction trades training for persons with no construction experience.

Requirements for participating in the BUD program are:

- GED/High School Diploma
- Age 18 or older
- WorkKeys Assessment; Workplace Documents – 5, Math - 5

If you are in need of WorkKeys testing, please contact University City Adult Education. You will be contacted to take a placement quiz. Based on the placement quiz scores, you will either qualify for official testing or have the opportunity to enroll with UCity AEL for academic assistance.

- Call or Text: 314-391-9232
- Email: lekeaveny@ucityschools.org

The next session will begin in late August. To apply go to <https://moworksinitiative.org/job-opportunity-building-union-diversity-bud-stl-program-coordinator/>.

While the program accepts candidates from all over the region, we specifically encourage residents of the 3rd, 5th, and 19th wards of St. Louis to apply in preparation for upcoming job opportunities on these projects and others.

For more information about the BUD Program go to <https://moworksinitiative.org/building-union-diversity-bud-program/>

Construction Career Development Initiative (CCDI)

Construction Career Development Initiative (CCDI) brings diversity to the Design and Construction industry by mentoring and exposing minority/underrepresented and under employed men and women to career development in construction.

Cyber Security Paid Internship with BJC HealthCare

[BJC HealthCare](http://www.bjc.org) has an exciting paid internship opportunity for students studying Information Technology with a special interest in Cybersecurity.

This internship is part of our [BJC Career Development Intern Program \(CDIP\)](#). BJCDIP will support the pipeline initiatives of BJC Healthcare. We have a variety of paid internships for both undergraduate and graduate students. Most internship assignments are project-based. As an intern in the career development program students can expect to work part-time during the school year and full-time during the summer. Students must be enrolled in a degree program - preference given to students who have completed at a minimum, freshmen year.

Students will have exposure to a variety of professional experiences:

- Professional development training and workshops
- Extensive networking opportunities
- Interaction with senior leaders
- A dedicated support network

If you're interested, please apply at <https://jobs.bjc.org/jobs?keywords=Intern%20-%20IT%20Cybersecurity&sortBv=relevance&page=1>

Launchcode LC101

LaunchCode's LC101 program is an introduction to computer programming course with a curriculum focused on building full-stack web developers, covering highly demanded languages and frameworks like JavaScript, Angular, Java, and Spring Boot. LC101 is an intensive, 20-week program designed to train students with skills they need to seek an apprenticeship and ultimately a career in technology.

Register for the next class by 8/22 at launchcode.org/lc101

LaunchCode IT Programmer Training and Apprenticeship Program

FREE tech education and job-readiness training. Qualified individuals are matched with an apprenticeship at one of our employer partners who need tech talent, ranging from Fortune 500 companies to fresh new start-ups.

For more information go to <https://www.launchcode.org/>

CoderGirl IT Training Program

CoderGirl is LaunchCode's education program designed to engage and educate women in the technology community in St. Louis. The program begins with a 24-week or 40-week specialized track designed to equip CoderGirls with technical skills and job-readiness skills, leading up to our apprenticeship job program. With professional mentors from companies who've hired CoderGirl grads like Asynchrony and World Wide Technology, you'll get the training and support you need to launch a successful career in technology.

For more information go to <https://www.launchcode.org/codergirl>

Power Skills Bootcamp: Information Technology (IT)

This three-week full-time training program (M-F 9am – 4pm) is designed to prepare students for technology driven jobs in the local labor market. Participants will gain a range of technical and soft skills:

- Microsoft Office Specialist (MOS) 2016 Excel Certification
- PC fundamentals
- Cybersecurity and cybersecurity fundamentals
- Career and professional planning

The program is grant funded so there is no cost for individuals to participate.

For more information go to <https://stlcc.edu/programs-academics/accelerated-job-training/power-skills-bootcamp.aspx> or contact Lesley English-Abram at labram@stlcc.edu or 314/644-9308

CyberUP Cyber Security Apprenticeship Program

CyberUp's LevelUp Course trains candidates in foundational IT concepts and in-depth cybersecurity best practices. The combination of technical, soft, and critical thinking skills training prepares you for the rigor of an in-demand cybersecurity role. CyberUp connects ambitious job seekers with opportunities to earn well-paying jobs in cybersecurity through a unique apprenticeship model. There are three tracks for candidates: **Pre-apprenticeship program** for those in need of further development of their workforce readiness skills, **Level 1** course for those with some career experience, and **Level 2** course for those already possessing some IT job experience or training.

For more information go to <https://wecyberup.org/candidates/>

Hydromat Apprenticeship Program

This apprenticeship program will expose candidates to all fundamental areas of **milling, turning, grinding, and advanced CNC applications**. Participants will have the opportunity to train in a **6000-hour program** focused on achieving a Journeyman Machinist card (fully accredited by the DOL and NTMA) and earn NIMS credentials for Machining Level I & II. During the apprenticeship program participants will learn proficient operations of **milling machines (manual and CNC), lathes (manual and CNC), grinding, CMM operation and programming, heat treat, basic engineering techniques, fundamental electrical knowledge, basic electronics, quality assurance, welding, fabrication, paint, mechanical assembly, and customer service operations** associated with the Hydromat machines. Participation as a team member focused on process and production improvement goals is mandatory. **Basic hand tool use, blueprint reading, computer design programs, fundamental tool making, inspection, machine maintenance, and mechanical drafting** are intricate parts of the overall apprenticeship program curriculum.

To qualify for a position in Hydromat's apprenticeship program you need a strong work ethic, high school diploma / equivalent, and NIMS level I credentials or equivalent basic machining knowledge.

For more information go to <https://hydromat.com/company/hydromat-apprenticeship-program>

More Than Carpentry Christian Ministries (MTC)

MTC works in partnership with Classic Cabinet Company in its Apprenticeship Program. As employees of Classic Cabinet, apprentices learn the trade of carpentry on-the-job while earning wages. MTC sponsors the mentoring and text-book style learning that occurs off the job. This Biblical model allows apprentices to practice newly acquired carpentry skills under the direct supervision of qualified carpenters while working on real-time projects. The whole person is developed while they are mentored and guided through life skills coaching, personal financial management, critical thinking, and Bible Study. Upon completion of the four-year apprenticeship, a Journeyman Certificate is issued from the Dept. of Labor Office of Apprenticeship. **If interested in applying go to** <https://morethancarpentry.org/>
