IMPORTANT – READ BEFORE ATTENDING

- Boosters provide additional protection against COVID-19 variants.
- Boosters help prevent severe illness and hospitalization.
- Boosters are for adults whose last Moderna or Pfizer vaccine was more than 6 months ago or 2 months ago for the J&J / Janssen vaccine.
- **Who is eligible?** Veterans, spouses, caregivers and CHAMPVA recipients under the authority of the SAVE LIVES Act (SLA) - must have had eligibility established previously.
- **YOU MUST BRING YOUR CDC CARD** from your previous COVID-19 vaccine dose in order to receive a booster!
- Questions about the vaccine? VA staff will be there to answer.
- Clinics will be first come, first served.
- Masks and physical distancing are required.
