IMPORTANT – READ BEFORE ATTENDING

- Vaccines, including boosters, provide additional protection against COVID-19 variants and help prevent severe illness and hospitalization.
- *** Who is eligible?** Veterans, spouses, caregivers and CHAMPVA recipients under the authority of the SAVE LIVES Act -- you must have eligibility established before getting your shot or be enrolled in VA health care.
- Boosters are for adults whose last Moderna or Pfizer vaccine was more than 5 months ago or 2 months ago for the J&J / Janssen vaccine
- Full 3rd and 4th doses are only for individuals who are immunocompromised. More information is available at <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/recommendations/immuno.html>.
- Walk-in vaccination clinics are first come, first served, and participants will be offered a vaccine based on clinical need and inventory.
- Vaccine clinics are closed during all federal holidays.
- Screening, approved masks and physical distancing are still required at our facilities.
- Questions about the vaccine? VA staff will be there to answer.
- More information can be found on our website, www.boston.va.gov, as well as on Facebook, www.facebook.com/VABoston, and Twitter, www.twitter.com/vabostonhc.
