

Drive - Thru Flu Clinic

**Tomah VA Medical Center
Partners with Monroe
County Health Department**

**9 a.m. to 6 p.m.
Thursday, October 3rd
Friday, October 4th**

**This event is open to the public.
Everyone 6 months of age or older should get the flu vaccine every year!**

Bring appropriate ID or insurance information. You are able to stay in your car.

Dress appropriately so your upper arm can be exposed.

Enter VA Medical Center on 2nd Street and follow the signs.

Don't Wait - Vaccinate. Get your flu shot.

For more information call:

For Veteran's or VA Employee's (608) 372-1787

For the General Public Contact Monroe County Health Dept. at (608) 269-8666

For the General Public:

Monroe County Health Department can file insurance claims for the influenza vaccines for most insurance companies. We will also bill Medicare Part B and Medicaid. However, we will bill the participant any amount that their insurance company does not cover.

Cost Without Insurance: Regular Dose \$30.00 / High Dose \$65.00
