

# IAD Master Plan Public Open House Workshop

## Date and Time:

Wednesday, April 27, 2022  
6:00 p.m. to 8:30 p.m.

## Location:

Washington Dulles Airport Marriott  
45020 Aviation Drive  
Dulles, VA 20166

**The Metropolitan Washington Airports Authority is preparing a Master Plan for the Washington Dulles International Airport.** The Airport Master Plan is a comprehensive study that describes short-, medium- and long-term improvements proposed for the airport. It is designed to establish a roadmap for incremental development to meet future aviation demand and other airport needs for the next 25 years.

The Master Planning process is designed as an inclusive process that encourages citizen participation. A public open house workshop will be held to provide information on the study

process, forecasts of activity, and future facility needs. Representatives from the Airports Authority and the Consultant team will be available to answer questions and receive comments on the ongoing Master Planning analyses and tasks completed to date.
