

2026 Community Engagement Forum on Aging

Your Journey Matters

This year's theme is **Your Journey Matters**, because you deserve safe, reliable, and accessible transportation.

Join us for the Arlington County Community Engagement Forum on Aging.

We'll explore how to improve transportation options for Arlington community members.

This event is designed for:

- Older adults
- People with disabilities
- Caregivers
- Service providers
- People interested in creating safer, more accessible transportation.

What you can expect:

- Learn about different ways to get around on your own.
- Connect with transit providers serving older adults and people with disabilities.
- Explore tools that make travel easier for everyone.
- Share your ideas to help make transportation better in your community.
