

The Support Center for Aspiring Leaders of Equity (S.C.A.L.E.)

Department of Educational Leadership
College of Education

OUR MISSION

To improve the quality of instruction through growth, support, and development of the next generation of school leaders, and building leadership capacity through the immersion of content, experiences, relationships and knowledge in cultural competency, equity and inclusion.

OUR CORE AREAS OF SERVICE:

Teacher Leaders- Engage educators in experiences and opportunities that strengthen content knowledge, pedagogy, and problem solving strategies to increase student engagement, achievement, and success.

School Leaders- Equip leaders with the tools, skills, and knowledge to strengthen their leadership capacity that produces inclusive school cultures which embrace equitable instructional and learning practices.

Central Office Leaders- Equip and empower leaders to impact student learning through equitable instruction and practices that lead to positive outcomes.

PROGRAM OVERVIEW:

Two-year program that includes seminars, observations, assignments, and field experiences. Participants will gain knowledge, skills, and experiences in best practices in cultural competency and diversity, equity, and inclusion.

- Cost: \$350.00 per participant
- 45 Recertification points per year
