

SAFE & SUPPORTIVE SCHOOLS VIRTUAL CONFERENCE

- 2022 -

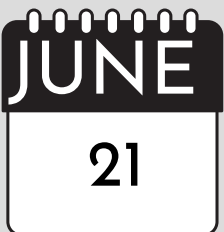

Moving from
SURVIVING to
THRIVING

PRECONFERENCE

9:45 a.m. - 12:30 p.m.

Students THRIVE in climates where they feel safe and supported! During the pre-conference sessions, participants will gain a deeper understanding of the School Climate and Working Conditions survey, and explore a data-informed decision-making process that can be used to inform divisions and/or school wide practices.

CONFERENCE

10 a.m. - 4 p.m.

The conference will kick off with an exciting and restoring keynote presentation from nationally recognized keynote speaker Jeremy Anderson! Participants will be able to select from ten breakout sessions that highlight universal/tier one strategies designed to create safe and supportive school climates that allow students to THRIVE!

Moving from SURVIVING to THRIVING

WHO SHOULD ATTEND?

Administrators, school leaders, division leaders, school counselors, school social workers, school psychologists and other specialized student support personnel.

CONFERENCE INFORMATION

- Free virtual conference.
- Q/A opportunities during breakout sessions.
- Certificates of attendance will be awarded for both the preconference and conference sessions.
- While not required, attendees are encouraged to attend both the preconference and conference.
- Zoom information and breakout session summaries will be sent to those who have registered the week before the conference.
- Registration closes on June 12, 2022.
