

Voluntary Registration Health and Safety Checklist

Verify each item that is currently true for your home by inserting a \underline{P} (provider) in the space provided before the item. The contract agency representative will complete the form by initialing or marking with an S (screener). Licensing Inspector will determine compliance electronically during the inspection. Mark the item $\underline{N/A}$ if the item is not applicable to your home.

Section 1. I AM PREPARED TO DEAL WITH EMERGENCIES:	Steps and stairs accessible to children are in good repair with hand or guardrails.
I have a medical release form from each family to permit emergency care; I also have the names and phone numbers of one or more persons besides the family who may be contacted in case of an emergency. I have an operable telephone, or have easy access to one, with a 911 sticker or emergency telephone numbers posted in clear view.	I have taken steps to safeguard my home from open and obvious household hazards, such as loose carpeting, unmarked glass doors, and small items that could be swallowed. I will permit an inspection of my home by appropriate fire authorities if conditions indicate a need for approval and the contract agency or the Virginia Department of Education requests it.
My address or equivalent identifying information is easily seen from the street or parking lot.	Cribs or playpens that meet the current
Exit ways, hallways and stairways are always well lighted and free of obstructions.	Consumer Product Safety Commission (CPSC) guidelines for cribs are used for children under 18 months of age. The service side of an occupied crib is accessible. "Current" CPSC guidelines for full-size cribs state that

evacuation plan.	Infants are placed on their backs when sleeping or
Section 2. I TAKE PRECAUTIONS TO PREVENT ACCIDENTS AND INJURIES:	resting unless otherwise ordered by a written statement signed by the child's physician.
I have taken steps to safeguard the outdoor play area used by children in my home from open and obvious hazards, such as: standing water, animal fecal material,	I use a crib or playpen with a firm, flat, mattress and only a fitted sheet for each sleeping or resting infant.
construction materials, poison ivy, dangerous lawn and garden tools, and traffic. (Fencing or other barriers might be needed when play area is next to a body of water or busy street.)	I do not put soft objects, blankets, pillows, stuffed toys, bumper pads, or loose bedding in the area an infant is sleeping.
My home is in good repair, with no peeling lead paint.	I do not place infants to sleep on any soft surfaces, such as beds, sofas, chairs, pillow cushions, or waterbeds.
I use screened doors and windows for ventilation. My fireplaces, heating system, and duct work	An infant who falls asleep in a play space other than his own crib or playpen shall be moved promptly to his designated sleeping space.
are in good repair.	

Protective barriers including, but not limited to, a medical contraindication developed during the safety gates are placed on stairways that are accessible conditional enrollment period. to children. Safety gates that are used meet the Consumer Product Safety Commission (CPSC) guidelines I do not administer prescription medication to for juvenile products. enrolled children unless it is administered by a caregiver that has current Medication Administration Training Electrical outlets are child-proof in all areas (MAT) certification or the caregiver is licensed in Virginia accessible to children. Multi-plug adapters that are used to administer prescription medications. belittle a child and never use physical (corporal) punishment.

Section 5. I AM MINDFUL OF MY RESPONSIBILITIES TO UPHOLD LAWS AND REGULATIONS IMPORTANT TO THE PROTECTION OF CHILDREN:

PROTECTION OF CHILDREN:
My family day home is not required to be licensed under state law. I make sure that the number of children receiving care, other than my own children and children residing in the home, is not more than <u>four</u> at any one time.
I am at least 18 years of age and have not been convicted of any barrier crime specified in § 19.2-392.02 of the <i>Code of Virginia</i> and am not the subject of a founded complaint of child abuse and neglect.
My physical and mental condition are such that I am able to care for children.
I provide parents with a copy of the Information to Parents statement and provide contact information for my inspector or contract agency.
I never leave children alone with an assistant younger than 18 years of age. I make sure children are properly supervised at all times.
I make sure that all caregivers are familiar with the Requirements for Providers.
I disclose to parents the percentage of time that a provider other than myself will care for their child.
I adhere to the following point system required to supervise children and determine if an additional caregiver is necessary.

- A caregiver may care for no more than 16 points: children from birth through 15 months count as four points; children 16 months through 23 months count as three points; children from two years through four years of age count as two points; and children from five years through nine years of age count as one point;
- My children and children residing in my home who are under eight years of age, are included in the point system.

I report cases of suspected child abuse and
neglect and other hazardous situations as described in
the Requirements for Providers.

I make sure that any adult (18 years of age or
older), including any adult household member, who
comes in contact with children or will

Voluntary Registration Health and Safety Checklist

provide care to children has a tuberculosis (TB) test or screening, background check; and I will not allow them to use alcohol or illegal drugs while children are in care.

_____ I comply with § 22.1-289.049 of the *Code of Virginia* by requiring proof of each child's identity and age for children. My records for each child include:

- Documentation of previous child day care programs and schools the child has attended.
- Documentation that proof of identity was reviewed and the date of review.

I comply with § 22.1-289.050 of the *Code of Virginia* by providing written notification of the fact that my family day home business is covered by liability insurance, along with amount, or that my business is not covered by liability insurance to the parents or guardians of all enrolled children. Signed acknowledgement of written notification is maintained on file for each child during the child's attendance and for 12 months after the child's last day of attendance.

_____ If I transport children, I make sure any vehicle used to transport children meets the standards set by the Division of Motor Vehicles and is equipped with the proper restraining devices required by law and children are restrained in accordance with § 46.2-1095 of the Code of Virginia.

_____ I will comply with the Requirements for Providers and permit and participate in an evaluation of my home by the department or contracting organization; and I will maintain the records listed in the Requirements for Providers and make them available for review by an authorized screener.

I understand that the contracting agency and/or the Virginia Department of Education may provide information, training opportunities, and technical assistance to help me provide good care to children and that I may ask for help or advice as needed.

I, the undersigned, agree to comply with these requirements. I have received information on the requirements for State Regulated Care Facilities and understand that I am responsible for ensuring that my home complies with the Uniform Statewide Building Code (USBC) and Statewide Fire Prevention Code (SFPC) for State Regulated Care Facilities for fire extinguishers, and smoke detectors.
