

YOU'RE INVITED!

Join us for a public meeting about potential transit enhancements for Fairfax and Prince William counties.

The Virginia Department of Rail and Public Transportation (DRPT) is conducting a feasibility study of enhanced public transportation services between the Franconia-Springfield Metro station in Fairfax County and the Quantico Marine Base in Prince William County. Enhanced transit could include options such as new and enhanced express bus services, increased VRE commuter rail service levels, Bus Rapid Transit (BRT), or an extension of Metrorail.

Join us for an online public meeting to learn about the transit alternatives and share your input.

Have your voice heard about the potential future transit enhancements in Fairfax and Prince William counties.
