NOTE: you choose how you want to show your teachers and staff that you appreciate them. Keep it simple & have fun! The teachers love student-created cards, notes, drawings, art – have them share what they like best about the teacher/staff member. You can review your teacher survey for gift ideas such as post-it notes, gift cards, school supplies, etc. Please reach out to your room parent for a copy of the survey or you can find it in the front office.

We would like to ensure that all teachers and staff members are honored during this special week and we ask that you help. Each classroom has one or two Adopted Staff Specialists that we ask you to remember as well as your teacher during this week. Some of these specialists may work directly with your student's teacher but in some cases, they may not work together at all. We, as a community, would like to make sure that they feel appreciated!

If you have any questions or would like to assist the PTA with the events during this week, please signup
