Description: This tennis camp is great for beginner and intermediate players wanting to learn, develop skills and have FUN! We have designed the camp to cover the basic skills forehands, backhands, volleys, serves, and overheads. Additionally, we play games, introduce match play, and team competition. All equipment is scaled to the size and ability level of the player. Our small student/coach ratio guarantees personalized attention. Camp is instructed and supervised by USPTA and USPTR certified coaches.
