And
More!

"Look at all the things the GBW PTA supports. Let's join today!"

The GBW Parent Teacher Association is a volunteer-run, non-profit organization whose mission is to **promote the educational success and overall wellness of every child at Greenbriar West by encouraging strong parent, family, and community involvement.**

What does it mean to join the PTA? Contrary to popular belief, being a member of the PTA does not automatically mean you have to dedicate your life to volunteering at school. Your PTA membership gives you voting rights to determine how PTA funds are allocated and makes you an integral part in decisions regarding enrichment programs for our students and staff.

As a member of the GBW PTA, you are also a member of the Virginia PTA and National PTA and benefit from Membership Perks. **Your dues go a long way toward enriching your child's educational experience at GBW.** The PTA supports our school's needs like technology, field trip buses, classroom supplies, enrichment programs, assemblies, fun events, and more!

The GBW PTA has been losing members and money over the last few years. Please help us turn things around this school year! You will be part of a group of parents, teachers and community members who care about the well-being of the students and who want to do everything they can to help them succeed.

Thank you for all you do for our school!
