This information is used to support our request for federal funds under the Impact Aid Program (Title VII of the Elementary and Secondary Act). This information may be provided to the U.S. Department of Education if our application for federal funds is audited. This form must be signed and dated for FCPS to receive its fair share of federal funds.

By signing this form, I am certifying that all typed and written information on this form is accurate and complete as of the survey date.

Dear Parent or Guardian:

Each year, Fairfax County Public Schools (FCPS) is eligible to apply for federal Impact Aid grant funds. Impact Aid is a federal formula grant program designed to assist local school districts that enroll federally-connected students. Federally-connected students are children of active duty uniformed services personnel, children who live on federal property or in subsidized federal housing, and children whose parents are employed on eligible federal properties.

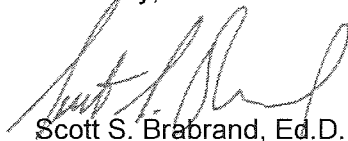

FCPS anticipates receiving approximately \$3,000,000 in unrestricted funds from the Impact Aid grant. The funds become a part of the school system's general operating budget and are critical to maintaining high standards for educational excellence.

We need your assistance in identifying students with federal connections to ensure that FCPS can obtain its fair share of funds from this program. Please complete the Student-Parent Survey for Federal Impact Aid on the reverse side of this letter for each school-aged student in your household. Sign and date the form and return it to your child's school by October 30, 2019. Information provided will be treated confidentially.

Information about the Student-Parent Survey for Federal Impact Aid can be found at <https://www.fcps.edu/impact>. Information about the Impact Aid Program can be found on the U.S. Department of Education's website at <https://www2.ed.gov/about/offices/list/oese/impactaid/index.html>.

Thank you for your continued support.

Sincerely,

Scott S. Brabrand, Ed.D.
Superintendent of Schools
