

Earth Week Spirit

Monday April 20 -Friday April 24

Earth! Fire! Wind! Water! Heart! GO PLANET!

Hello Falcons,

In honor of Earth Day on Wednesday, we will have another virtual spirit week to show our appreciation for our planet. How much do you love our Earth? Let's celebrate by doing things to help our planet. Take pictures this week and have parents/guardian help you tweet! Be sure to tag @ForestdaleES and check out staff's photos too.

Monday April 20- Watershed Day

Wear **blue** today to show how much you appreciate water. What can you do to save our water? Our oceans, lakes and seas need your help! What can you do to protect our oceans, lakes and seas?

Challenge: Try not to waste water today. Use less water today and make sure to also turn off sinks. Reuse bottles & refill to reduce plastic that ends up in landfills.

Tuesday April 21- Consumption & Waste Day

Wear **red** today to stop litter and waste!

Challenge: Try to reduce, reuse or recycle today. Recycle paper, cardboard, plastic, metal, or glass. How might you reuse old items? Refill a water bottle or make something out of that old box or paper. And always remember Falcons take care of this place- we don't litter!

Wednesday April 22- Earth & Climate Day

Wear **green** today to show how much you love our planet Earth!

Challenge: Draw or write something about our planet Earth. Maybe you want to make a list of things you want to do to save our planet or write a poem about how you love the Earth . Be creative and have fun!

Thursday April 23- Energy Day

Wear **yellow** today and save energy by turning off lights when you are not using them.

Challenge: Turn of your computer, television, & phones for an hour.

THINK. ACT. SAVE.
WE ALL HAVE THE POWER!

Friday April 24 -Arbor Day & Great Outdoors Day

Wear **purple** today to show your love for the great outdoors. There are so many fun things to do outside such as riding a bike, going on a nature walk, or camping. How can you get outside, even when you are stuck at home?

Challenge: Go for a walk inside or outside and try to find something purple!
