## Directions

### Summer Reading Program for LMS students:

**Attention students:** To **play reading Bingo**, complete the squares and make Bingos. **Every student is required to complete the middle square of a free choice book in order to fulfill the summer reading requirement**, and the rest of the board is for fun (optional). If you complete 5 or more squares and you get to attend the fall party!

### Let's play some Bingo!

Each square on the Bingo board is either a book to read or a reading activity to complete. Shade in, cross off, or highlight each square as you go to make your Bingos. You may choose **any** 5 squares on the board.

 **BOOK SQUARES:** Book squares require you to **read a book**, and fill out the chart below. Make sure to get a parent/guardian signature for proof of completion.

 **ACTIVITY SQUARES:** Activity squares are **activities** to complete related to reading. Please take a photo of your activity or product to show to your English teacher.

### Party Time:

- If you shade in 5 squares or more on the Bingo board, you are eligible to attend a fall celebration with treats during school hours!

**Remember:** You will return this form in the fall to your English teacher. **Expect a future English assignment related to your book.** The fall celebration will take place when school resumes.
