

# Directions for Logging On Student Laptops

Do not attempt to log on until you have a minimum of 2 bars on the WiFi symbol.

d. When you see the FCPS 24/7 Learning image, you are READY!

1. Log into your computer using your FCPS student ID and your password from last year. If you need password assistance pull up to The Rock and turn on your hazard lights.
2. If the log on time takes longer than 5 minutes, please restart and verify you have 2 bars on the WiFi symbol
3. If you receive any error messages or are not able to login successfully, pull up to The Rock and turn on your hazard lights.
4. Last steps, access FCPS 24/7 Learning (Blackboard):
  - a. Open Google Chrome.

- b. Find and click the FCPS 24-7 Learning Shortcut.

- c. Log into 24/7 Learning (Blackboard) using your FCPS student ID and your password.

## **Things to Remember!!**

1. If you have a problem with your laptop when you are at home, you can use one of these options to request technology assistance:
  - a. Self Report with Laptop Repair link (desktop)
  - b. Ask any of your teachers to submit a Request IT on your behalf.
2. Do you need internet access at home?
  - a. Submit a request using the Laptop Repair link found on the desktop. (Be sure to include a parent/guardian telephone number in the request.)

**Thank you!**
