- Browse Destiny and place a hold on books you want to checkout. You may hold up to 5 books at a time.

Browse
Destiny

Need
suggestions?

- Check out the “New Books” section of your Library Course in Schoology or email Mrs. Cole for Reader’s Advisory.

For detailed instructions, scroll down! Still have questions? You can contact [Mrs. Cole](#) directly.

Stop by
Curbside

- Curbside hours are Mondays from 2:00-4:00 PM & Thursdays from 3:30-5:30 PM at the Kiss-n-Ride loop in the back of Stenwood. Wear a mask!

Wait for
email

- Ignore the Destiny notification that your book is ready. Wait for an email telling you when you can pick it up.

Using Destiny

(there is a video How-To in the grade level folders in the Library Course in Schoology)

To open Destiny Discover, go to the grade level folder in the Library Course.

The screenshot shows the Schoology interface for a Library course. The top navigation bar includes the Fairfax County Public Schools logo, 'COURSES', 'GROUPS', and 'RESOURCES'. The user is logged in as Mrs. Cole. The course page is titled 'Library: Stenwood Elementary School ▶ 4th Grade' and contains a folder named 'Destiny Discover - Stenwood Library Catalog'. Below the folder name are 'Add Materials' and 'Options' buttons. The main content area lists several items:

- Destiny Discover**: A document icon followed by the text: "Destiny Discover is our school catalog. You can search the library, databases and ebooks at the same time. If you log in (using your FCPS credentials) you can put books on hold, see what you've got checked out and read the ebooks." A gear icon is on the right.
- Destiny Discover**: A link icon followed by the text "Destiny Discover". This link is circled in red, and a yellow arrow points to it from the text "Click here to open Destiny in a new tab". A gear icon is on the right.
- FCPS Database & eBook Passwords**: A link icon followed by the text "FCPS Database & eBook Passwords". A gear icon is on the right.
- What questions do you have about Destiny Discover?**: A speech bubble icon followed by the text "What questions do you have about Destiny Discover?" and "Type your question here. And I will answer as soon as possible. Please read through other questions as yours may have already been asked!". A gear icon is on the right.

The left sidebar contains a 'LIBRARY!' banner and a 'Course Options' dropdown menu with the following items: Materials, Updates, Gradebook, Grade Setup, Mastery, Badges, Members, Analytics, Workload Planning, Collaborate Ultra, and DBQ Online.

Welcome to Stenwood Elementary School

News

Welcome to the school library! Don't forget to log in using the blue "Fairfax County Public Schools" box and your FCPS login. Once you are logged in, you can put books on hold, access the databases, and read eBooks...

When you put books on hold, you may get a pop-up message saying your book is ready - **ignore this message**. When your book is ready, you will get an email letting you know when to pick it up.

Click the Hold Button to put a book on hold. Click again to take it off hold.

Important: Ignore the pop up message that says your book is ready for pick up. This message is not correct. Wait for an **EMAIL** letting you know that your book is ready and when you can come get it.

To find out what you have on hold, click the three lines in the upper left corner. If you have anything on hold, there will be a number highlighted at the top.

Click on Holds to see what you have on hold. Right above that, you can click on Checkouts to see what you have already checked out. Please return those books when you pick up new books.

This window shows what you have on hold. You can always click on the title to go to the record and "unhold" the book.

Remember, ignore the Holds Ready notice. You'll get an email saying your books are ready for pickup.

Need Suggestions?

If you don't know what to read, check out your grade level folder in the Schoology Library Course. Mrs. Cole continuously updates the folders with new books. Also, look at the book recommendation discussions. Maybe a friend has a good suggestion! You can also ask to meet Mrs. Cole for a few minutes in a BBCU for book recommendations.

If you are having trouble using Destiny Discover, use the discussion board in the Destiny Folder to ask Mrs. Cole or send her an [email](#).

Destiny doesn't know...

When you place a hold on a book that is available in the library (on the shelf), Destiny will indicate that it is "ready for pickup." Please disregard this message in Destiny.

Wait for an email from the librarian indicating your books have been pulled, checked out and are ready for pickup. Most emails will go to parents and students' fcpsschools.net Google email, so check there often! Pick up and returns will only be Mondays (2-4PM) and Thursdays (3:30-5:30PM).

Patience, please...

All books need to be quarantined for 7 days after return. Therefore, books may still show up on your account even after you have returned them. If your books do not seem to get checked in after a week, please contact Mrs. Cole so she can check on the status of your books.

You can only put 5 books on hold at a time. Please promptly return your books so that others may enjoy them and you can choose more books. Expect a longer wait for books that are currently checked out by other patrons. Your patience is appreciated.

Pick up...

When you receive your confirmation email from the Library stating that your books are ready for pick up, you will be given a time frame to get them. Curbside will be available on Mondays between 2:00-4:00 PM and Thursdays between 3:30-5:30 PM. Whether you walk to school or drive, please wear a mask.

Pick up will be in the Kiss-n-Ride loop at the back of the school. Please give your name and any return books, then you will receive your books.

If you are unable to make any of the times, please contact [Mrs. Cole](#).
