

Lewis Sports Booster Club

2020-2021 Membership

(All Lancer Sports)

Virtual Learning this year has significantly changed how the Lewis Sports Booster Club can raise money for the athletic teams at Lewis High School. We are currently unable to open the concession stands for any sporting events. Without the profits from concession stand sales, we will not be able to support our athletic teams return to play unless we fundraise.

This year we are asking families to join the sports booster with a reduced rate so we can continue raising needed funds for our teams.

_____	STUDENT MEMBERSHIP (includes Hype Shirt circle size: S M L XL)	\$20
_____	MEMBERSHIP (fundraiser)	\$25
_____	LANCER FAMILY DONATION	\$75
_____	LEWIS SPORTS DONATION	\$_____

Seniors who participate in athletics and are members by February 1st will be eligible to submit applications for the Lewis Sports Booster Club Scholarship.

This membership is considered a fundraiser and does NOT include game entries. Game passes will be offered later if VHSL / FCPS guidelines are changed to included spectators at sporting events.
