

LHS Athletic Booster Club Membership & Passes

WHY JOIN THE BOOSTERS in the COVID-19 WORLD?

- VHSL is expecting for sports to start mid-Dec with all sports taking place with shorter schedules.
- Boosters is largely funded through memberships, corporate sponsorship, and concessions.
- Even though we did not have spring sports, we still had expense with no revenue coming in.
- We have lowered our pricing this year recognizing shorter seasons.
- Your dollars are returned to the athletic programs through the funding of trips and transportation, uniforms, equipment, awards, trophy cases, stadium and field maintenance!
- MEMBERSHIP PASSES allow you into all regular season **HOME** games!
- Support your student-athlete and their teammates to success within their program.
