The College Partnership Program (CPP) is designed to assist students who are traditionally underrepresented in college (i.e First Generation, African-American, Hispanic, American Indian or Alaska Native, Native Hawaiian or Other Pacific Islander, English Learners, students with disabilities or economically disadvantaged) in exploring, applying and enrolling in college. In accordance with FCPS' goal to eliminate gaps in opportunity, access and achievement for all students, CPP focuses on academic advising, college visits, parent engagement and preparation beyond high school.
