

## ***Diversity in STEM Talks!***

**Presented by**

**The Diversity Committee of the  
Thomas Jefferson High School of  
Science and Technology PTSA**

**Monday, March 15, 2021, 6:00—6:45 p.m.**

**For students grades 4-8**

**Hear from people working in the Science, Technology,  
Engineering and Math (STEM) field!**

**Guest speaker: Vern Williams, Mathematics Teacher BASIS  
Independent McLean and former FCPS Mathematics Teacher**

Mr. Williams taught mathematics in FCPS for 40 years and taught in the gifted and talented program for over 30 years. His special interest is teaching traditional and rigorous mathematics to gifted middle school students. Join us to hear from this master teacher!

- What sparked his interest in math?
- What does he enjoy most about math?
- What would he recommend to students who want to pursue math?
- What else would you like to know?
