

Diversity in STEM Talks!Presented by

The Diversity Committee of the Thomas Jefferson High School of Science and Technology PTSA

Monday, March 15, 2021, 6:00—6:45 p.m. For students grades 4-8

Hear from people working in the Science, Technology, Engineering and Math (STEM) field!

Guest speaker: Vern Williams, Mathematics Teacher BASIS Independent McLean and former FCPS Mathematics Teacher

Mr. Williams taught mathematics in FCPS for 40 years and taught in the gifted and talented program for over 30 years. His special interest is teaching traditional and rigorous mathematics to gifted middle school students. Join us to hear from this master teacher!

- What sparked his interest in math?
- What does he enjoy most about math?
- What would he recommend to students who want to pursue math?
- What else would you like to know?
