

Library Info for In-Person Students

Grab and Go Books

Browse for books and checkout before school starts! Ask for a recommendation or look for new titles in favorite genres.

There is a self-checkout station for easy independent checkout, too!

Returning Books

Drop books off in the book return outside the library or in the blue and yellow mailbox outside the main RRMS entrance.

NOTE: All books will be quarantined for 7 days before being checked in.

Rock Time Access

Sign up using the Google Form in the grade-level Google Classroom for a 30 minute visit on Wednesdays or Fridays.

Sign ups will be posted on Monday mornings for that week.

Get Books without Visiting

You can still put books on hold in Destiny Discover! We will deliver available holds to English teachers' classrooms on Monday for the following week.

Learn more from the display case outside the library!
