

Diversity in STEM Talks!

Presented by

**The Diversity Committee of the
Thomas Jefferson High School of
Science and Technology PTSA**

Monday, May 17, 2021, 6:00—6:45 p.m.

For students grades 4-8

**Hear from people working in the Science, Technology,
Engineering and Math (STEM) field!**

**Guest speaker: Dr. Zephania Birech, Lecturer in the Department
of Physics of the University of Nairobi, Kenya**

**Join us in May to find out more about Dr. Birech and his research
projects on laser physics and its applications, including solar energy
harvesting!**

- What sparked his interest in physics?
- What does he enjoy most about physics?
- How does he merge research and teaching as a physics professor?
- What would he recommend to students who want to pursue a career in science?
- What else would you like to know?
